

With Success of Neuralhack – E School competition for years, its time that we start tapping into the expertise of pre final year students – And here we are, JATAYU – Spread your wings and reach for your dream”

This is an Exclusive competition for Virtusa Partner – CoE colleges in India

Unlike other competition, this competition is curated in such a way that you get the complete understanding of how a business requirement is understood to taking it to the final “Industrialization”

This is how you will take part in it...

You must fulfill the following criteria...

- 1) You are currently pursuing Pre-Final year (3rd year if B Tech or 4th Year if Integrated M Tech) – CS / IT / ECE (No CGPA Mandate)*
- 2) Should have very good analytical thinking and must be ready to go that extra mile*
- 3) Ready to dedicate next 3 months and manage academics in parallel*
- 4) Interested to work on AI / BOTS / IOT / Connected Devices*
- 5) Your interest should be on Full Stack / Python / ML or any of the Niche area*

What is to be done...

- 1) Firstly, for a team 5 member and identify a SPOC from your team - Max is 5 per team*
- 2) SPOC to register on behalf of the team in the given link below – Rest of the member to refrain from registering directly*

Link - <https://forms.gle/E4FdnqWcAece2ZFC7>

Note – *If any team member decided to quit half way, the whole team will get disqualified from the competition*
